## **Aspiring Full-Stack Developer**

+91 9940837355 | [barvinanisa@gmail.com](mailto:barvinanisa@gmail.com) | [Linkedin](#) | [GitHub](#)

## **SUMMARY**

---

Full-Stack Developer proficient in MERN stack, RESTful APIs, React Native, JavaScript, TypeScript, Node.js, Express, MongoDB, and MySQL. Skilled in end-to-end development, UI/UX implementation, API integration, and debugging. Capable of delivering scalable, maintainable, and secure applications.

## **EDUCATION**

---

<b>B.Tech - Information Technology</b>	<b>CGPA:</b> 8.44	<b>2023 - 2027</b>
Sri Shakthi Institute of Engineering and Technology		
<b>HSLC - Computer Science</b>	<b>PERCENTAGE:</b> 86.16%	<b>2021 - 2023</b>
R.C. Govt. Girls Higher Secondary School		

## **SKILLS**

---

<b>Programing Language:</b>	<b>Tools:</b>
Java, JavaScript	Git, GitHub, Postman, VS Code
<b>Web Technologies:</b>	<b>Backend:</b>
HTML, CSS, React.js	Node.js, Express.js, REST APIs
<b>Databases:</b>	
MongoDB, MySQL	

## **PROJECT**

---

### **Elderly Care Network — Build using MERN Stack**

Developed an Android Studio mobile app that connects elderly users with caregivers and essential services, featuring real-time communication, health monitoring, reminders, and emergency support

### **Water and Electricity Tracker App -Build using HTML,CSS and JavaScript**

Created a sustainability-focused tracker website that monitors electricity and water consumption, helping households set usage goals and reduce wastage to support long-term environmental stewardship.

### **University Course Registration System - Build using Java, MySQL, JDBC, MySQL**

#### **Workbench**

Designed an MVC-structured Java course registration system with MySQL-backed data handling that streamlines student onboarding, course creation, and enrollment workflows.

## **PATENT AND PUBLICATIONS**

---

### **Elderly Care Network**

Published in : International Journal of Scientific Research in Engineering and Management  
DOI Number: 48378

## **CERTIFICATIONS AND ACHIEVEMENTS**

---

**Web Designing Workshop Participant :** XENIRA – Kalam 2024 Inter-College Event, Sri Shakthi Institute of Engineering and Technology,

**Hackathon Participant :** Kanam '25 (Dr. N.G.P. IITECH & NGPASC, Feb 2025)
