SUMMARY

Motivated and detail-oriented Information Technology student with hands-on experience in Full-Stack Web Development, Software Quality Assurance (QA), and Database Management. Skilled in Java, JavaScript, React.js, Node.js, Express.js, MySQL, and MongoDB. Developed innovative projects including an Online Election System and a Student Internship Tracking System integrated with AI-powered features such as an AI Teacher Assistant and AI Question Generator. Strong in problem-solving, manual testing, API testing, debugging, and software development practices. Eager to contribute technical skills, continuous learning, and teamwork to build high-quality software solutions and grow as a Software Engineer or QA Professional.

EDUCATION

B.Tech - Information Technology Sri Shakthi Institute of Engineering and Technology	CGPA: 7.44	2023 - 2027
HSLC - Computer Science R.C. Govt. Girls Higher Secondary School	PERCENTAGE: 76.16	2022 - 2023

SKILLS

Programing Languages: Java, JavaScript	Tools: Git, GitHub, Postman, VS Code
Web Technologies: HTML, CSS, React.js	Backend: Node.js, Express.js, REST APIs
Databases: MongoDB, MySQL	

PROJECT

Online Election System - (HTML-CSS, JavaScript,MySQL) Github I developed an Online Election System using HTML, CSS, Java, and MySQL. The system allows voters to log in securely, cast votes, and enables administrators to manage elections. MySQL stores voter and election data while Java handles the business logic.
Student Internship Tracking System - (JavaScript, MongoDB, JavaScript, HTML-CSS) Developed a Student Internship Tracking System to manage student internship records, application status, progress tracking, and internship opportunities. Integrated an AI-powered Teacher Assistant to answer student queries and provide learning support. Implemented an AI Question Generator for interview and assessment preparation. Added an Available Internship Module where students can view and apply for internship opportunities. Designed separate student and admin functionalities for efficient monitoring, management, and reporting of internship activities.

CERTIFICATIONS AND ACHIEVEMENTS

- **Unified Mentor Internship** – Sri Shakthi Institute of Engineering and Technology (April 2024)
- **AMDOX Workshop Participant** – AMDOX Technologies for UI&UX Design
- **Certificate of Completion** – React.js Project for Beginners.
